

E.P.S.E.F.

Eric Pelly Sports Education Fund

Eric Pelly, an 18 year old student and athlete, died suddenly following a concussion in October of 2006. A memorial fund has been set up in Eric's honor. The Eric Pelly Sports Education Fund provides money for head injury awareness. Additionally, we offer one scholarship per year to a graduating senior at North Allegheny High School to be used for continuing education.

At 6:00 p.m. on June 3rd we are having a Student vs. Teachers Basketball Fundraiser at the North Allegheny Intermediate High School Gymnasium. 100% of the proceeds will go to the Scholarship or Head Injury Awareness. It is important to raise the awareness about concussions in sports and how to properly treat these injuries.

We are asking local businesses for gift contributions for a Silent / Chinese Auction to be held at the game. Please reply by Friday, May 6th. We thank you for your gift consideration and hope the name recognition brings patronage back to your business.

Thank you,
